**What were the circumstances that caused you to look for a financial adviser?**

We contacted Mohit after we were let down and rejected for a mortgage with a major bank.

**How did Mohit help you?**

From the start to the end of the process, Mohit provided me with excellent advice and service! His communication throughout was impeccable and fabulous . I was so glad we did spoke because he talked me through all our options and managed to secure the lending we needed in order to buy my dream house. To anyone out there who thinks going direct to a bank is your best bet, I would say think again and contact Mohit for a free consultation - when we need to review our lending we will definitely be going back to him!

**Have you seen the outcome you were hoping for?**

Absolutely! Mohit went through each and every process in detail with me which lead to a very smooth house move eventually .

**What could they have done better?**

Every service offered by Mohit was excellent and within the time lines. I only have good feedback about this consultant and shall definitely recommend him to my friends and family in London

**What were the circumstances that caused you to look for a financial adviser?**

I was looking for a remortgage for my residential property and the advice I received from him was top-class he also explained me about the equity I have build on my property which can be released to go for a buy to let as well.

**How did Mohit help you?**

Overall he looked into all the mortgages I was offered and the best mortgage based on my lifestyle and my earnings so that we do not face any issues with monthly payments going forward.I have also recommended him to few of my clients and I have had positive responses from all.
