Mortgage Matchmakers is one of the London's award-winning mortgage brokers.

We have been offering independent mortgage advice and bespoke mortgage solutions to our clients and we have 20 years of collective experience in financial services space.

We were recently nominated and awarded "Runners-Up" in the "Local Best Business" business awards for our local borough of Spelthorne and have been listed in the top 100 mortgage brokers in 2020 – Advertised in The Times.

We are a team of ex high street bank Advisors and are working with established estate agents, solicitors, and accountants currently in London and would now like to expand our services to esteemed small and medium enterprises (SMEs) in and around London where we operate.

We would be delighted to extend our service to your clients, or to your employees as an employee benefit.

Working with Mortgage Matchmakers will enable you to broaden your offering with an industry recognised name. We work with a range of introducers including individual accountants, estate agents, solicitors, and some SME's where our services are primarily offered to their clients, through to large corporates where our service takes on a different role as an employee benefit.

As a Mortgage Matchmakers introducer, you will be assigned an account manager so that you have a dedicated single point of contact. We will provide marketing support and a trackable referral process so that we can provide monthly reporting on both the number of referrals and the number of mortgage completions made.

Rest assured we put all of our clients; however, they are introduced to us, at the heart of everything we do, from the moment we first speak to them to the moment they complete on their mortgage and beyond.
